

## We guide you to better benefits.

### Allied™ Life and Disability

Are you looking for the perfect life and disability combination to offer your groups?

Allied Life and Disability Plans offer affordability and flexibility. You can conveniently combine these plans with only one application to create a full life and disability benefit package to offer your clients.

Allied's Life and Disability Plans offers simplified plans for two to nine lives and flexible, custom plans for groups of 10 or more. Each plan has high guaranteed maximums for life, which make it perfect for high net-worth clients.

Also, our Life and Disability plans can be offered to virtually any industry. It's a perfect add on sale to any health plan.

Let Allied guide you to more sales with our easy, low-cost Life and Disability benefit plans.

**Easy, low-cost Life and Disability benefits will guide you to more sales and fewer declines.**
