

We guide **you** to better benefits.

### Allied™ Dental Design

Our small group dental plans offer freedom, flexibility and outstanding value to groups of 2 to 99.

Dental Design combines unmatched preventive care benefits with right-priced rates that make it a plan that sells itself. If you have clients who are unsatisfied with "pre-paid" dental plans or restrictive PPOs, they'll love this plan and the freedom to choose any dentist.

Our Dental Design plan is available to any client, in any industry, making this plan usable for all of your clients. This product is a great add-on to any of our health plans, and it's a great door opener to new clients that might be looking for that "something extra" to provide to their employees.

Get great dental benefits for small groups – all at lower costs with Allied's Dental Design plans!
