AlliedSM Cost Saver

Are you struggling with the high cost of group health insurance?

If so, let me guide you to up to a 60 percent savings on your premiums!

Employers across the country are learning about a new and exciting option that allows them to provide valuable health benefits to their employees, at significant savings compared to a traditional medical plan.

The Allied Cost Saver group health plan offers great alternatives with the perfect balance between premiums and benefits. It has new benefit options not previously offered to small employers. Combine Cost Saver with a High Deductible Health Plan for a hard to beat combination.

The Allied Cost Saver plan includes:

- Immediate benefits for Doctor Office Visits and Prescription Drugs
- Coverage for professional, hospital, surgical and outpatient services

Best of all, there is no medical underwriting and no health questionnaires to complete with this plan.

Let me be your guide to balance, performance and NEW small group benefit choices for you and your employees. Call me today for more information on the Allied Cost Saver plan.
