Health Plan

The **Allied™ CoreValue Health Plan** is a unique group insurance plan for employers looking for value – *the right benefits at the right price.*

What is it?

High Deductible Health Plan + Supplemental Benefits in ONE Integrated Plan

It's simple ... One Plan. One Bill. One Claim Source.

Who is it for?

Employers looking for new ways to control health insurance costs.

How does it work?

Employers select an HDHP and Rx plan that fits their needs. Employer or employees purchase supplemental benefits to bridge the deductible gap.

CoreValue gives the employer value and affordability while giving employees a choice in how they spend their health care dollars.

High Deductible Health Plan:

Low cost major medical protection.

Supplemental Benefits:

Affordable benefits to bridge the deductible gap.

Two Simple Options

Employer Pay or Voluntary: Supplemental benefits to fit every need.
